### PRESIDENT'S MESSAGE

Welcome to the 37th edition of our Gravenhurst Rotary TV Auction. Times have certainly changed in those 37 years. Technology is changing as we speak and allows us to make many improvements in the way we deliver the auction to you. Our TV Auction has now become a TV / Internet Auction and many of you will place your bids without even turning on a TV set. One fact, however, does remain constant. That fact is that the needs in our community and our world are as great as ever and the fifty three members of our local Rotary Club are working hard to meet those needs on a daily basis. This is where you come in. We would not be able to meet those needs if it weren't for the support of our local businesses and the fine citizens of this community. Gravenhurst has always had a reputation of being a very generous town and, once again this year, this has been demonstrated by the donations from the business community and various individuals in town.

This year's Rotary International theme is "Rotary Making a Difference". That is what we are trying to do in our community and around the world. BUT we need your help. This AUCTION is our largest fundraiser we have throughout the year, the money we raise goes back into our community. It could be as simple paying someone's hydro bill, to providing a school with healthy lunches.

It has been a privilege to be the President of the Rotary Club of Gravenhurst this year, because of what it stands for and the people we

help out. Our club main priority is the children in our community. We try helping out in as many ways as we can either through scholarships (This fund has grown to over 1.3 million dollars), new experiences in our Adventure programs to helping different organizations like the Guides, Scouts, Minor Hockey, Special Olympics, Skating Clubs, and others have benefitted from our generosity. Elementary schools have received chess sets, sports equipment, band instruments, financial support for cultural events and breakfast and lunch programs.

Internationally, local Rotarians have helped build schools in Cambodia and given away thousands of bicycles to allow Cambodian children the opportunity to go to school and a new project we are working on is over in the Philippines outfitting the students and helping with school supplies.

As an organization, we are still working hard to eradicate polio we are close- ONLY 3 Countries and 10 cases away from eradicating Polio. We are currently working on a major project to improve Gull Lake Rotary Park with renovations, we have just extended the shelter to double the size. Two new accessible swings will be installed in the spring and a Frisbee golf area has been installed. The needs are great and, once again, this is where you come in. Please bid on many items in this flyer. Tell your friends and family about the Auction to help make it a success. This is our largest fundraiser for the year. We want it to be a success. Please help us to continue to "Rotary Making a Difference"

**Tawnya Habel, President Rotary Club of Gravenhurst.**

**MESSAGE FROM THE MAYOR**

Once again, it's that time to show our support for the Rotary Club of Gravenhurst and the Annual TV/Internet Auction. The Rotary Club has been supporting the community of Gravenhurst since the 1930's and this important annual fundraiser assists them in continuing to do great work in our community.

I encourage you to support this important initiative by donating an item, bidding for one of the many great items and telling your family and friends about this great opportunity to do some pre-Christmas shopping.

Thank you to the Rotary Club of Gravenhurst for your ongoing support of Gravenhurst!

**Gravenhurst Mayor Paisley Donaldson**

**Rotary Bursary Endowment Fund**
